## Approval of EPY Epoxy Resin Material for Sulzer Engine Chocking

Dear Mr: Jaroszewicz,

We refer to our meeting held in Winterthur on 7<sup>th</sup> June, 1996 and are pleased to inform you that our approval of 26<sup>th</sup> March, 1991 is hereby renewed with this letter.

Your EPY chocking material is approved for use with all Sulzer diesel engine types.

This approval means that the following requirements are fulfilled:

- The arrangement of the epoxy resin chocks and the tension of the foundation bolts must comply with Sulzer standard arrangement drawings "Engine seating with epoxy resin chocks".
- The preparatory work, pouring and curing process are to be supervised by experts of the Marine Service Jaroszewicz company.

We trust to have been of service to you and remain

with kind regards,

New Sulzer Diesel Ltd.

M. Lüthi

ppa. F. Porchet
